

Mathematics 146c - Midterm Examination

May 7, 2020

Instructor: David Weisbart

There are THREE questions on this examination.

This is an online and open note exam.

You may not receive full credit for a correct answer if insufficient work is shown.

Please sign and print your name below. Signing and printing your name constitutes an oath of honesty. You are confirming that you are taking this exam yourself and without any assistance from any person other than yourself. You are also confirming that you are taking the exam with your video on and that you accept that I will be recording the exam for my records.

You will earn TWO points for completing this step properly.
